1. The Jozef Strus Municipal Hospital in Poznan is located on ul. Szkolna # 8 - 12 (streetcar lines # 1 or # 5), and has the following wards:

Surgical

Internal diseases

Infectious diseases

T.B. with a special section (so-called "oddzial torakalny")

Gynecology and childrens' diseases

Dermatology

It also administers a small neurological clinic, located on ul. Grobla # 26.

2. The hospital has approximately 600 beds, the neurological clinic approximately 60. In case of emergency, however, approximately 650 beds can be set up in the hospital. It is filled all the time and often patients have to wait to be admitted.
3. The hospital is completely equipped. Most of the equipment is old prewar Polish or German. It has three ambulances.
4. Medicine is extremely short. Penicillin is known and used; it is a Polish product but effective.
5. Source knew the following:

Chief director, Dr. Andrzejewski (fnu), 40 years old, 178 cm high, blond hair, very decent person, probably no party member.

- 2 -

Administrative director, Cicholewski (fnu), 38 years old, 176 cm high, blond hair, decent person.

Chief of the dermatological section, Dr. Alkiewicz (fnu), 50 years old, 174 cm high, grey hair, married, one child, a son, no party member, held lectures at the Poznan university.

6. The hospital has approximately 18 doctors, 30 nurses and 50 assistant nurses. In addition, students of the medical faculty of the Poznan university come to the hospital every year for their practical training as assistant doctors. Nevertheless, the hospital is understaffed and consequently overworked.
